# Control Consoles

 **INDUSTRIES, INC.**  
[www.controlandcommand.com](http://www.controlandcommand.com)  
**1.800.984.3135**

AFC's **Control Consoles** are ideal for professionals who require electronically height adjustable work surface and multiple monitors to perform their tasks. With the simple touch of a button, our workstations give the user the ability to adjust the height of the monitors as well as the work surface, from a seating position to a standing position.

This flexibility of unlimited configurations delivers optimum body positioning and comfort.

Why adjust yourself to your workstation when the **Control Console** adjusts to you?
